Seven Bank to Resume ATM Services for Overseas-Issued MasterCard® Brand Cards

Seven Bank, Ltd. (the “Company”) announces that users of overseas-issued MasterCard® brand cash cards and credit cards will once again be able to withdraw Japanese yen or perform balance inquiries at Seven Bank ATMs as of Friday, January 10, 2014.

The Company temporarily suspended ATM services for MasterCard® brand cash cards and credit cards in April 2013. However, the Company resumes these services after ongoing discussions with MasterCard resulted in an agreement on service conditions.

Moving forward, the Company will lend its support to the Japanese government’s Visit Japan Campaign by enhancing the yen-based ATM services it provides to overseas customers.
